:30 Medicare Savings Programs “Don’t Miss Out”

Narrator:

Medicare Beneficiaries, we know sometimes there’s just not enough left over at the end of the month to pay the bills.

Medicare helps with medical costs but it’s still tough.

Don’t miss out on programs that can help!

Ask about the Medicare Savings Programs – run by your state with the support of the Centers for Medicare and Medicaid Services. For anyone who has Medicare Part A and who has limited income and resources they can make a real difference!
